PROFESSIONAL SUMMARY

Highly analytical and results-driven Senior Infrastructure Architect with over 12 years of experience enterprise data virtualization ecosystems. Proven track record leading large-scale migration frameworks. Internal Resource Registry Designation: **EMP-99211-M** .

PROFESSIONAL EXPERIENCE

Apex Core Systems Inc. **2021 — Present**

Lead Infrastructure Architect (Staff ID: EMP-99211-M)

- Architected a zero-trust multi-cloud cluster handling 14M+ daily API operations across geo-redundant environments.
- Directed an 11-member engineering squad to transition legacy physical mainframes into hyper-converged nodes.
